

Pension scheme for disability pensioners

Half of all disability pensioners pay voluntary contributions to the Supplementary Labour Market Pension Scheme for Disability Pensioners

The Supplementary Labour Market Pension Scheme for Disability Pensioners is a voluntary pension scheme that gives disability pensioners an attractive opportunity to save for a lifelong pension. Where a disability pensioner contributed DKK 192 per month to the Supplementary Labour Market Pension Scheme for Disability Pensioners in 2023, the state contributed an additional DKK 384. The state therefore contributes double that of the disability pensioner.

Around half of all disability pensioners pay contributions to the Supplementary Labour Market Pension Scheme for Disability Pensioners

The Supplementary Labour Market Pension Scheme for Disability Pensioners has been a part of ATP since 2013. Supplementary Labour Market Pension Scheme for Disability Pensioners contributions are managed together with ATP contributions. Supplementary Labour Market Pension Scheme for Disability Pensioners members accrue ongoing guaranteed lifelong pension in the same way as ATP members. Supplementary Labour Market Pension Scheme for Disability Pensioners members also contribute to the bonus potential in the same way, and are included in ATP's bonus policy.
